CODE of GOOD SPORTSMANSHIP

- Total team effort.
- Promote the ideals of good sportsmanship, ethics and integrity.
- Cheer for the Raiders, not against the opposition (this includes signs).
- Respect officials and their decisions. Games wouldn't be played without them.
- Win with humility (without boasting); lose with grace (without excuses or finger pointing); do both with dignity.
- Demonstrate respect for opposing fans, coaches and team members.
- Realize that a ticket is a privilege to attend an athletic competition and support Jackson Academy activities, not a license to verbally assault others or be generally obnoxious.
- Good sportsmanship should be contagious.
- Self control is a virtue.
- Be an exemplary role model by positively supporting and encouraging Raider team members and their coaches. Have fun promoting our teams.
- Be a fan not a fanatic!
- Make good sportsmanship a conscious priority. It is simply the right thing to do.
- Do unto others as you would have others do unto you.

Care at *the speed* of a Raider.

When time's not on your side and healthy is all you're trying to feel, walk in for all your **urgent, primary** or **kids care** needs and be seen fast. Trust the experts to get you feeling better faster.

A MESSAGE FROM THE ATHLETIC DIRECTOR

Greetings from Raider Nation!

As we begin another school year at Jackson Academy, I am filled with gratitude and excitement for what lies ahead. Entering my third year as Athletic Director and my tenth year at JA, I continue to be inspired by the dedication, energy, and commitment of our student-athletes, coaches, families, and supporters.

Our athletic program is built on work ethic, sacrifice, and integrity, the same qualities that helped our teams achieve another strong year of competition. The offseason has been equally productive, with early-morning practices, countless hours in the weight room, and focused preparation for the year ahead.

We are also excited to welcome new leadership to our athletic department. Coach Chuck Box will lead our baseball program and join Allison and me in serving as an Assistant Athletic Director. His experience, leadership, and commitment to developing student-athletes will be a tremendous asset to Jackson Academy.

As one of the most visible and respected schools in the MAIS, we take great pride in representing JA with integrity, fairness, and respect. Our Code of Good Sportsmanship is more than a set of expectations—it is the standard by which we compete. We strive for excellence at the highest level, but never at the expense of humility, character, or respect for others. I encourage every athlete, coach, parent, student, and fan to model these values at every event.

The success of JA Athletics would not be possible without the support of our incredible community. Last year, the JA Athletic Booster Club provided more than \$167,000 to support our programs and help create the best game-day atmosphere in the MAIS. Our parents, facilities staff, food service providers, Raider Network, band, cheerleaders, Accents, and countless volunteers each play an important role in making JA athletic events so special. We are deeply grateful for all they do.

Our mission remains simple: to help every student-athlete reach his or her God-given potential both in competition and in life. Thank you for choosing Jackson Academy and for your continued support of JA Athletics. I look forward to seeing you at our games this year, cheering loudly and representing Raider Nation with excellence.

A MESSAGE FROM THE BOOSTER CLUB BOARD PRESIDENT

Dear JA Family,

Another year is upon us. On behalf of the JA Booster Club, we would like to welcome you back to another school year, and we are excited as ever about the upcoming year. JA had some incredible accomplishments this past year in athletics, and we hope to continue to build on that. JA runs deep in our family, as we have 2 recent graduates, and 2 more currently enrolled, so JA has been in our family dating back to 1982.

The mission of the JA Athletic Booster Club is to support and enhance the athletic-centered extracurricular experience of our JA student-athletes. We are excited about the leadership of our Athletic Director, Brandt Walker, and we look forward to supporting his vision. From upgrades at Raider Park at the Baseball Field and Track, to improvements on campus involving the weight room and new video equipment for football, we are happy to assist and support whatever needs our athletes have to make sure they are fully prepared for competition.

We are proud to support each and all teams, in their preparation and practice, in their travel to and from, and in their competition for championships. We will have some large improvement requests coming this year, so we continue to ask for support. The JA culture is special, and we feel it is equally important to support our students in self-development outside of athletics, as we help them build character, learn teamwork, and develop resilience. The lessons learned at JA and on the field will carry them well past their days of wearing a blue and white uniform.

Our job as Booster Club President can only be accomplished by surrounding ourselves with a great team. There are so many members, sponsors and volunteers that make this possible. We are, and will continue to be grateful to each of you for getting involved and saying YES, and giving your time, energy, and resources to support the Booster Club. If you haven't gotten involved yet, please consider taking action and supporting us through volunteering at concession stands, buying an All Sports Pass, or sponsoring our different events. Every contribution, no matter the size, is valued and appreciated, and goes directly to supporting our student-athletes at JA. We have had the privilege of seeing this in action through the years, and the friendships and relationships that we have built are priceless.

Again, we are excited about the upcoming year, and we are looking forward to watching our JA athletes practice and compete. Please get involved on campus, and support the Booster Club, and let's make this year as strong as ever.

A MESSAGE FROM THE HEAD OF SCHOOL

Raider Family,

Welcome to another exciting year of Jackson Academy Athletics! I cannot wait to watch our student-athletes compete, grow, and represent our school with pride. Every season brings new opportunities, and I am grateful for the outstanding coaches who invest in our students each day. They teach far more than the fundamentals of a sport. They help shape character, build confidence, and encourage our students to become the people God created them to be.

At Jackson Academy, our mission is to inspire and equip each student to lead a life of purpose and significance. Everything we do, both inside and outside the classroom, should point back to that mission. While academics remain at the heart of what we do, we also believe that some of life's greatest lessons are learned beyond the classroom. Athletics provides opportunities for students to develop resilience, humility, leadership, and teamwork. These experiences prepare them not only for competition, but for life.

None of this would be possible without the incredible support of our Raider community. I want to thank our Booster Club, volunteers, parents, alumni, and supporters who give so generously of their time and resources. Your commitment provides opportunities for our students that would not be possible without your support.

As we begin another season, I encourage every member of our Raider family to be part of the experience. Fill the stands. Encourage our students. Support our coaches. Welcome visiting teams and families with kindness. Most importantly, help us model the Code of Good Sportsmanship in every contest. The way we cheer, compete, and treat others says just as much about Jackson Academy as the final score.

Thank you for being part of what makes Jackson Academy such a special place. I look forward to another memorable year of Raider Athletics.

Go Raiders!

I am a **RAIDER**. I believe that the interest of the team must come first. I will give blood, sweat, and tears for the team. I will compete like a champion. I will not be out-hustled. I will not make excuses. I will do the little things right on and off the field. I will not let people talk about my **RAIDER FAMILY**. I will cheer for my teammates even if I am not in the game. I expect and demand the best from my teammates. I will take pride in all I do. I will be successful.

One team. All in.

Inspired by the moments that matter. Last-second touchdowns. Rivals outranked. Play fakes that surprise everyone — especially the other guys' defense. At C Spire, we connect you with all of it, on and off the field. Because your team is our team, Raiders.

THE ORTHO EXPERTS

We are the Official Team Physicians of Mississippi High School Sports

Just like you would call a plumber for a leaky pipe or a mechanic for an engine problem, when it comes to your body, you need a true specialist. At Mississippi Sports Medicine, our doctors are subspecialized in specific areas of orthopaedics, each focusing exclusively on one field. This means they see thousands of cases like yours every year, bringing unmatched expertise and precision to your care.
